## ABOUT US

TTT Consultants and Promotions was established in 2004 as a closed corporation family business. A company that diversified itself in the services offered by making sure its customers needs are met first and foremost.

The core of our business is consulting in various avenues and we are equipped to handle even the smallest to largest of projects. We pride ourselves on our ability to work smoothly with clients and to meet their designed requirements. In light of progress, TTT Consultants and Promotions is a black empowerment structured company with BBBEE Level 1 (135%) and employs over 100 South African black people.

We believe in supporting the community and using our creativity and aesthetic potential in providing flexible services with high emphasis on personal and site hygiene, adhering to all National Standards. Every service provided is given a different outlook, identity and a vision with true professionalism to make the project a success.

### **MISSION**

***Pride in our work always adding value with team work, Embrace training, evolution and progress, Keep updated on all regulations and aspects in all avenues, Quality in all services at competitive rates, with no short cuts and no rework.***

### **VISION**

***Our vision and aims are to provide the best services and implement effective strategies and provide customer satisfaction which are shown in our creativity and innovations.***
